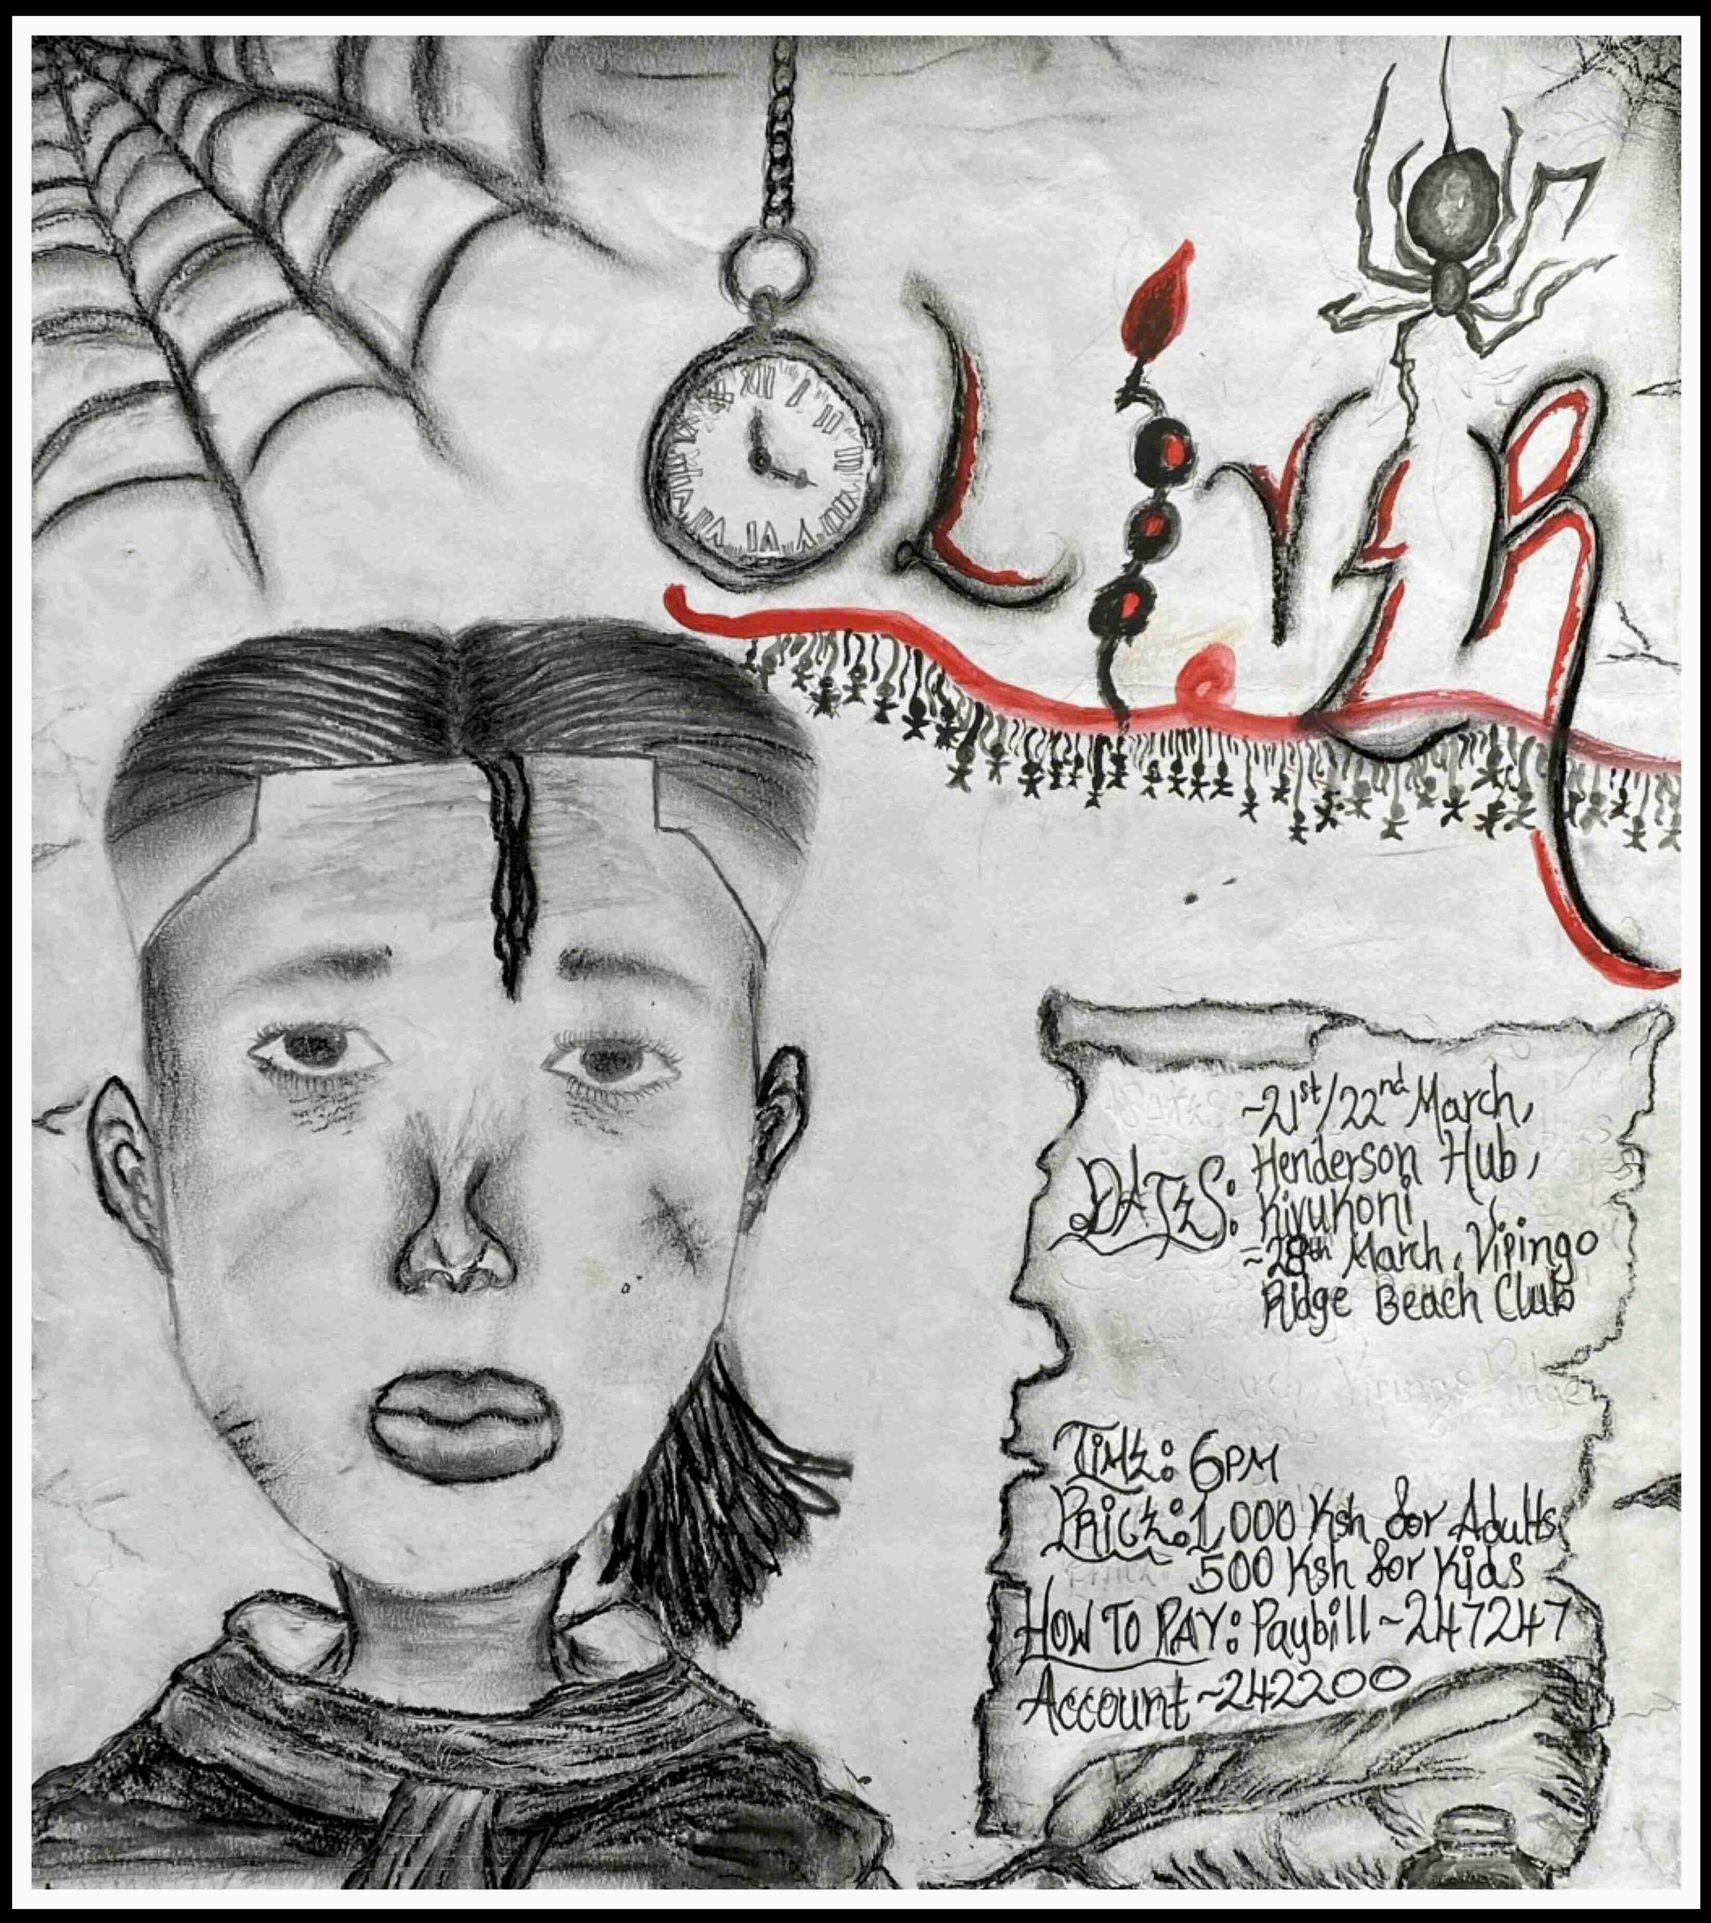
Kivukoni School

by Jonah France

PROGRAMME

Kivukoni School secondary students are proud to present their first-ever full-length musical, 'Oliver!'

This internationally acclaimed musical takes the audience on a wild adventure through Victorian England, following the story of young, orphaned Oliver Twist as he navigates London's underworld of theft and violence in search of a home, a family, and most importantly, love.



by Neney Tiechenou

Based on the novel “Oliver Twist” by Charles Dickens, the book was adapted for the stage by Lionel Bart, who also composed the music and wrote the lyrics. The musical premiered in London’s West End in 1960 and became a huge hit.

The timeless story of Oliver Twist and his journey to find love and family continues to captivate audiences of all ages.

Oliver is a show that will inspire all of us to dream bigger and believe that absolutely anything is possible.
